Within five (5) days after the filing of an application, the sheriff shall forward the application and fingerprints to the Idaho state police for a records check of state and national files. The Idaho state police shall conduct a national fingerprint-based records check and return the results to the sheriff within seventy-five (75) days. The license will be in a form substantially similar to that of the Idaho driver's license. (2) The fee for original issuance of a license shall be twenty dollars (\$20.00) paid to the sheriff for the purpose of enforcing the provisions of this chapter. (3) The fee for renewal of the license shall be fifteen dollars (\$ 15.00). The sheriff may collect any additional fees necessary to cover the processing costs lawfully required by any state or federal agency or department, and the cost of materials for the license lawfully required by any state agency or department, which costs shall be paid to the state. If a licensee applying for renewal has not previously been required to submit fingerprints, the sheriff shall require the licensee to do so and may collect any additional fees necessary to cover the cost of processing fingerprints lawfully required by any state or federal agency or department.

(6) A city, county or other political subdivision of this state shall not modify the requirements of this section, nor may a political subdivision ask the applicant to voluntarily submit any information not required in this section. A civil action may be brought to enjoin a wrongful refusal to issue a license or a wrongful modification of the requirements of this section. The civil action may be brought in the county in which the application was made or in Ada county at the discretion of the petitioner. Any person who prevails against a public agency in any action in the courts for a violation of subsections (1) through (5) of this section, shall be awarded costs, including reasonable attorney's fees incurred in connection with the legal action.

This shall not apply to any firearm located in plain view whether it is loaded or unloaded. A firearm may be concealed legally in a motor vehicle so long as the weapon is disassembled or unloaded.

(10) In implementing the provisions of this section on behalf of the state of Idaho, the sheriff shall make applications readily available at the office of the sheriff or at other public offices in his jurisdiction.

(11) The sheriff of a county may issue a license to carry a concealed weapon to those individuals between the ages of eighteen (18) and twenty-one (21) years who in the judgment of the sheriff warrant the issuance of the license to carry a concealed weapon. Such issuance shall be subject to limitations which the issuing authority deems appropriate. Licenses issued to individuals between the ages of eighteen (18)

and twenty-one (21) years shall be easily distinguishable from regular licenses.

(12) The requirement to secure a license to carry a concealed weapon under this section shall not apply to the following persons:

(16) A person twenty-one (21) years of age or older issued a license to carry a concealed weapon is exempt from any requirement to undergo a records check at the time of purchase or transfer of a firearm from a federally licensed firearms dealer. However, a temporary emergency license issued under subsection (5) of this section shall not exempt the holder of the license from any records check requirement. Temporary emergency licenses shall be easily distinguishable from regular licenses.
